Meet our Dogs Available for Adoption

Tails wagging, playful, full of love...all our dogs have one thing in common, they are looking for their forever home.

If you see a dog that you want to adopt, please call for availability (978) 745-9888. And remember, before you come to the Shelter, please take a moment to read [Things to Consider](#) to learn about some of the questions we will ask, adoption requirements and fees.

Pictured below are some of our furry friends waiting for you to visit them. Click on any picture to learn more about the pet. We try to update this page as animals arrive or they are adopted, but it will not always be up-to-date. We have new arrivals almost every day, and some dogs may have found a new home before updates could be made.
